Sail with us!

Little can compare with getting to know charming hidden oases of the Adriatic shores and islands while a pleasant breeze refreshes you on a sailboat. We are offering you an opportunity you don't want to miss: to explore the beauties of a Croatian coast by sailing!

We'll be glad to host you whether you just want to relax and grill on the deck or whether looking for adrenaline, sports and entertainment. The list of exciting games, contests, and sports activities is ready! Just a hint - we can take you cycling or hiking, play some water sports, or teach you how to play the popular Croatian card games.

Oh, let's not forget...

As true wine lovers, we'll make sure you taste the finest drops of the drinks of Gods, which locals themselves will present to you. Along with homemade aromatic cheese and extra-virgin olive oil, you'll dive into the world of local specialities and wish you never leave!

As long as the weather conditions allow it, we are flexible and open to adjusting the sailing schedule as you wish. Using the advanced apps, we keep up with the best recommendations to plan together the adventures to remember. Except for taking care of the safety of your trip, our skippers are also true connoisseurs, so they'll be delighted to share all the mysteries on the archipelago's historical, natural and cultural attractions.

Our sailing tours celebrate the lightness of being, authenticity and local culture of each place we visit, so there's nothing left to say except for...

Raise your sails, surrender to the wind and enjoy the adventure of a lifetime!
